What Is Sylvanian Families ?

Sylvanian Families are an adorable range of distinctive animal characters with charming and beautiful homes, furniture and accessories. First released on March 20, 1985 by Epoch in Japan.

[our catalogue](#)

Vision

Sylvanian Families is designed to teach children about various aspects of family life, such as;

- How to care babies,
- Interacting well with pets
- What it means to be part of a family.

That makes Sylvanian Families Toys Are Good for Children.

Mission

- Make toys that can develop children's problem solving and motor skills.
 - Make toys with materials that are safe for children.
 - Has many variants.
- Not only animal characters, but also makes cars, houses, babies and other complementary stuffs.

Characters

Ralph

Freya

Lyra

and more...
